

Industrial grade message & custom printed tape coated with a natural rubber adhesive on a premium grade BOPP film ideal for heavy duty applications.

## Applications

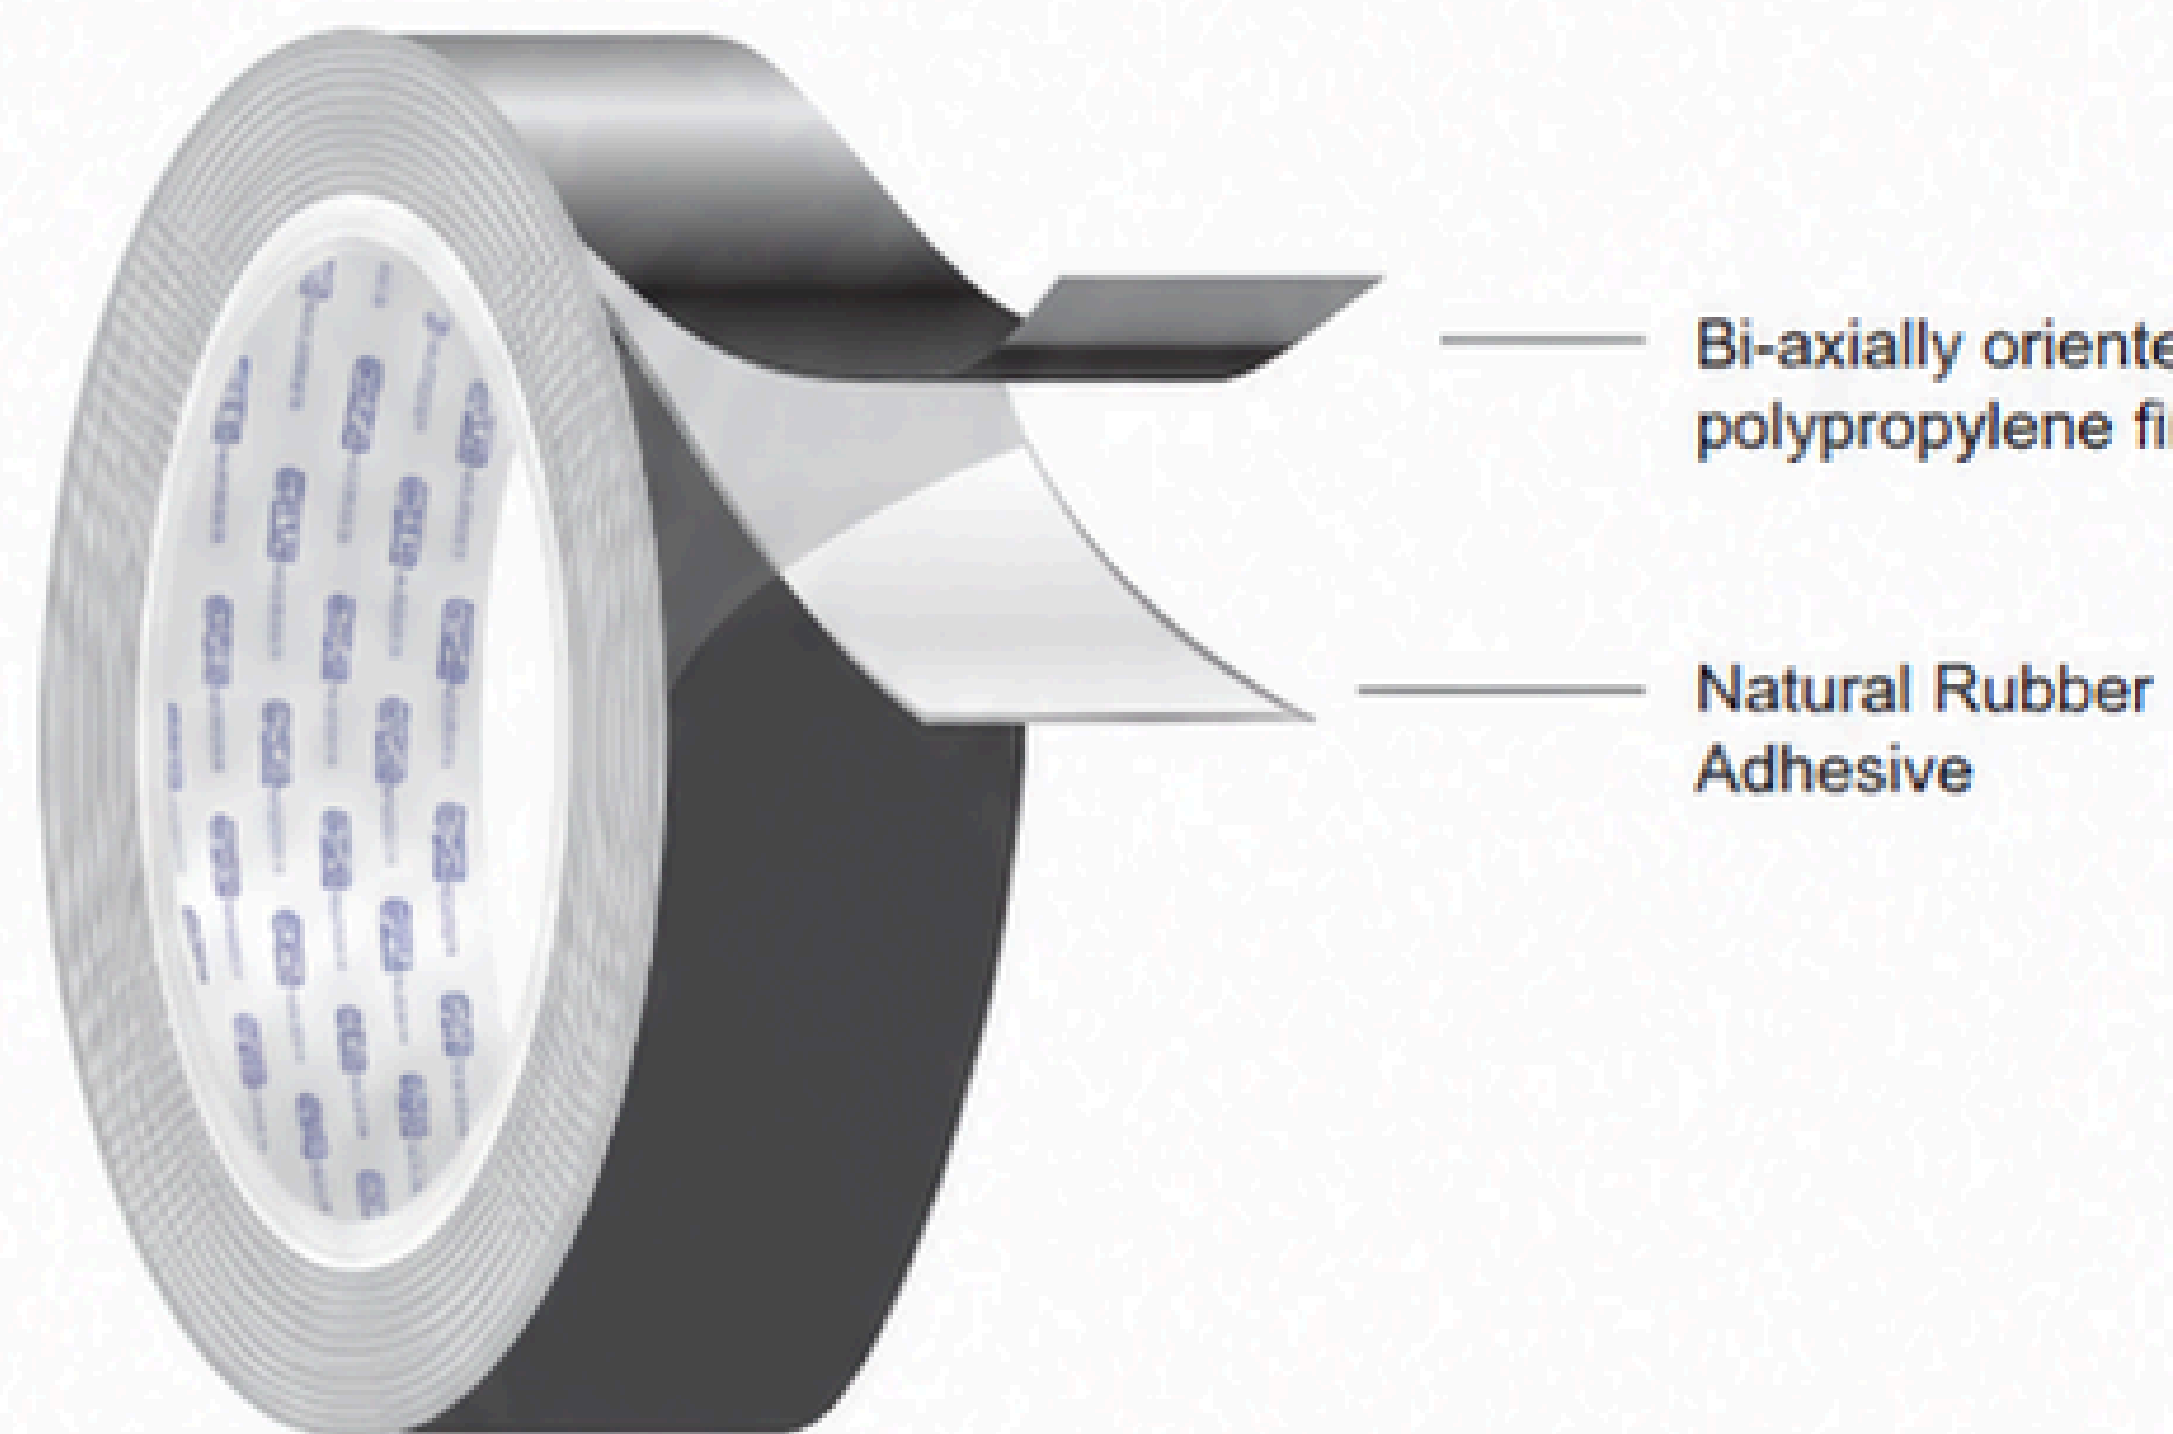

- Sealing of parcels & cartons (recycled & virgin board)
- Paper, cardboard & stretch film
- Food & beverage industries
- Packaging & shipping industries
- Transportation & logistics industries
- Customised to convey your specific messaging for handling advice

## Benefits

- Custom printable to show logo, names etc
- Good performance in low temperatures\*
- High tack adhesive providing an instant bond
- Excellent adhesion even on recycled cartons
- Heavy duty offering versatility & strength
- Ideal for manual & automated carton sealing applications
- Ideal for storage in extreme temperature conditions and high moisture environments once applied

\*Suggested application at room temperature over 10°C before storing sealed items at lower temperature

## Technical Data

• Adhesive power	★★★★★	• Colour	White, Clear, Brown
• Total thickness - um	52	• Adhesive type	Natural rubber
• Film thickness - um	35	• Tensile strength - N/25mm	137
• Adhesive Coat Weight - Grms	17	• Adhesion to steel - N/25mm	6.2
• Elongation - %	140	• Backing material	Polypropylene film
