

**PLEASE LET US KNOW IF YOU WILL BE LABELLING  
ANY OF THE FOLLOWING**

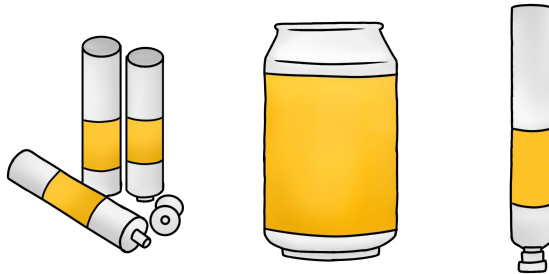

**Lids or caps wider than the rest of the container:**  
If you are labelling with the nozzle/cap/lid in place

**Tapered containers:**  
Including PET/plastic, glass and aluminium

**Very light, empty containers:**  
Such as empty PET/plastic/cardboard tubes or aluminium cans

**Containers with protruding parts:**  
If the part is permanently attached to the product
